Dear Mr. Gibson:

Our Committee, as we noted in our attached letter Oct 8, 2004, expects to actively fundraise during 2006 and 2007 to finally pay-down its debt.

With this restatement of our earlier request through 2007, our Committee again objects to the Administrative Termination and hereby submits our Report through June 30, 2006.

Thank you for your continued attention to this matter.

Sincerely yours,

Robert F Kovach
